Muséum d'histoire naturelle  
35 allées Jules Guesde  
31000 Toulouse - France

# About the Museum

We welcome 300 000 visitors every year! We curate more than 2 million specimens and 100 000 artifacts.

We are now touring 5 exhibitions and 6 poster/photo exhibitions in both printed and downloadable (print your own) formats.

**TRAVELLING EXHIBITIONS**

Designed for children  
aged 3 to 8!

# BABY ANIMALS

This exhibition introduces **73 species of baby animals**, with specimens and interactives based on our **five senses**.

The exhibition is divided into 6 themed zones, each including audio-visual presentations, experiments, games, interactive activities...

**450 to 700 square meters (4840 to 7534.74 sq. ft)**

# PREHISTORY, THE INVESTIGATION

An original investigation into the depths of prehistory!

A **real pre-historical burial place**, discovered in 1928 on t eviec Island, just off Quiberon, France, is at the centre of a **thrilling scientific investigation**.

150 to 300 square meters ( 1610 to 3770 sq.ft)

# BEARS, MYTHS & REALITIES

Exploring the bear through the **Culture, Nature** and **Society** themes, the exhibition questions the visitor's relationship with this animal!

150 to 250 square meters (1075 to 2150 sq. ft)

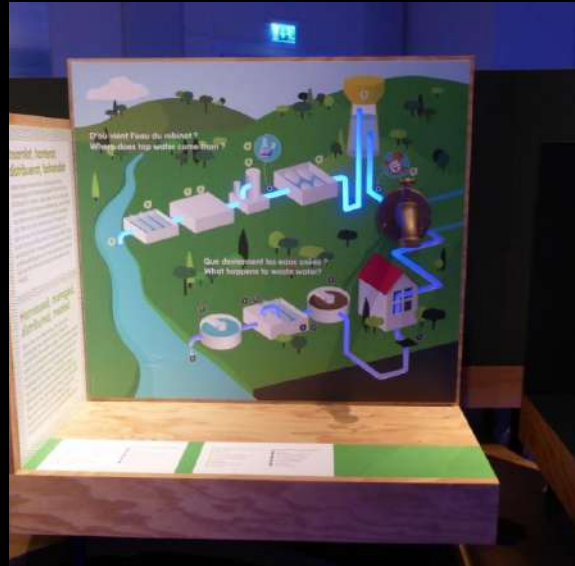

# WATER, THE EXHIBITION

Playing with **mock-ups**, **mouldings** and **interactive multimedia**, the exhibition deals with WATER in all of its states and its universal nature; everybody's water and water for everyone.

150 to 250 square meters (1075 to 2150 sq. ft)

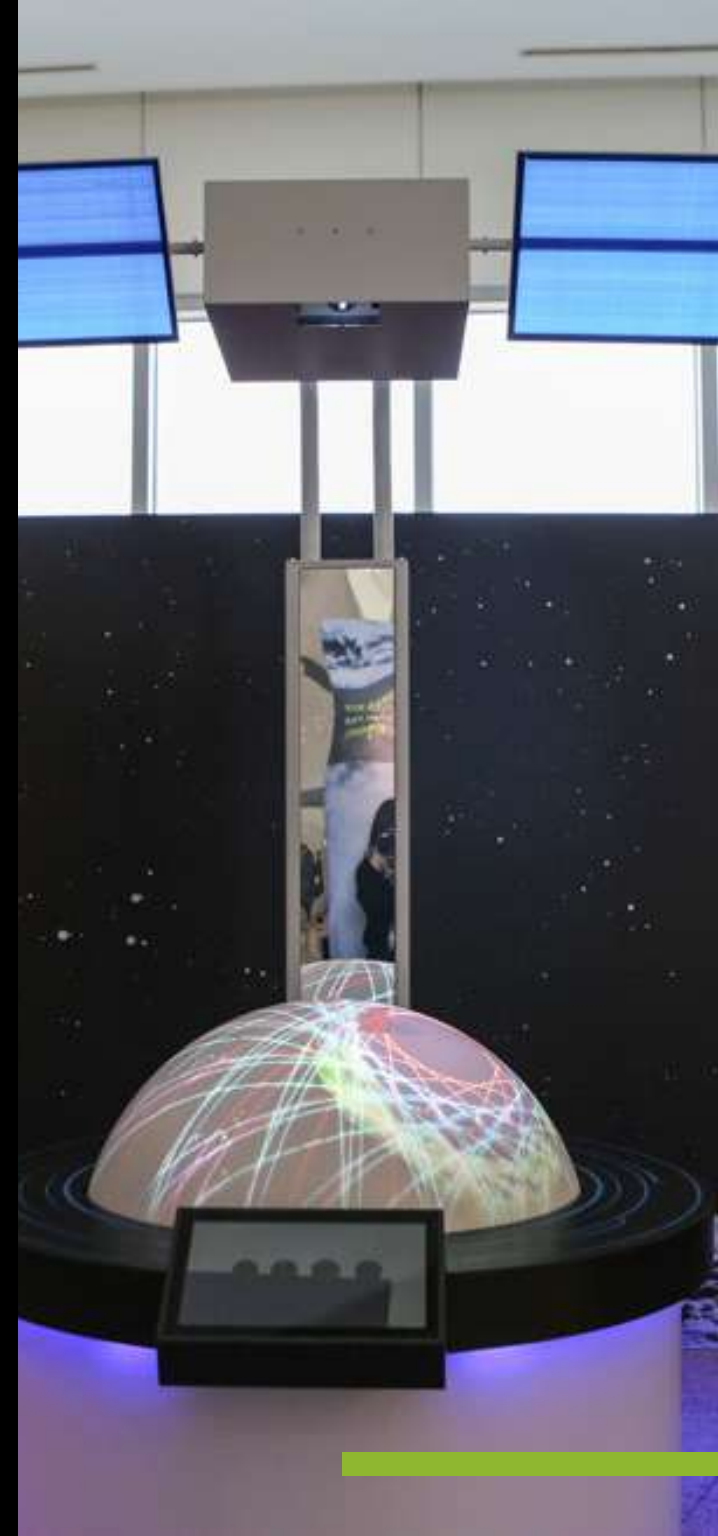

# WATER SEEN FROM ABOVE

Coproduced with the **Cité de l'Espace, Toulouse**, this exhibition examines the contributions of satellites to our understanding and ability to manage water on Earth.

It can be completed with "Water the Exhibition"!

**100 to 120 square meters  
with WATER, THE EXHIBITION 300 sq. m.**

# COMING SOON

**The Jungle Bunch, to the rescue!**

Inspired by the famous and highly acclaimed animated film **The Jungle Bunch**, this exhibition coproduced with TAT Productions plunges the visitor into an unusual mission.

Maurice the leader of the band, notices that Miguel the gorilla is missing....

Designed for children!
